Reference: Govt.letter,A.& F.D.No.AFD 199 DST-57 dated 22-4-1959.

In resubmitting the petition of Shri T.S. Hegde dated 10-3-1959 received under the above quoted Government letter and also the case papers on the subject in 3 files received under Government letter, Agriculture and Forests Department No.AFD 8 DST 58 dated 3-1-1959, I am to state as under:

MYSORE GOVERNMENT SECRETARIAT
No. 6398
8 - JUL 1959
199.DST 57
FOREST BRANCH

Enquiry instituted regarding the contents of the para marked 'A' in the petition reveals that the whole landed property of the petitioner's family was divided among the below mentioned 8 members according to a partition agreement made on 30-7-1958 and the necessary mutation has also effected in the Record of Rights. A copy of the mutation entry No.921 effected on 6-2-1959 in accordance with the agreement is enclosed at page 37 for reference.

S.No.	Names of the members.	Relationship with the petitioner.	Share allotted.
1.	Shri Timmayya Seetaram Hegde	Petitioner	1/8
2.	" Ganapati Timmayya Hegde.	Son	1/8
3.	" Seetaram Timmayya Hegde	"	1/8
4.	" Devaru Timmayya Hegde	"	1/8

P.T.O.

5.	Shri Narayan Timmayya Hegde	Son	1/8
6.	" Venkatraman Timmayya "	"	1/8
7.	" Vishweshwar Seetaram "	Brother	1/8
8.	" Shivaram Narayan Hegde and Smt. Nagratnabai N. Hegde.	Brother's son & Brother's wife.	1/8.

According to this partition, the petitioner and his five sons got 6/8th share in the whole property. This 6/8th share was also got again partitioned among the petitioner and his five sons and the total extent of lands allotted to each is as under:

Name	Acreage Bagayat	Acreage Tari.
	A.G.A.	A. G.
1. Shri Timmayya Seetaram Hegde (petitioner)	0-31-0	2- 7-0
2. " Ganpati Timmayya Hegde(petitioner's 1st son)	0-35-0	2- 8-0.
3. " Seetaram T.Hegde (2nd son)	0-24-0	2- 8-0.
4. " Devaru T.Hegde (3rd son)	0-29-0	2- 8-0
5. " Venkatraman T.Hegde (4th son)	0-26-8	2- 8-0
6. " Narayan T.Hegde (5th son)	0-37-0	2- 8-0
Total	4-22-8	13- 7-0

The subsequent partition among the petitioner and his five sons is also given effect to in the Record of Rights by mutation entry No.924 dated 4-4-1959. A copy of the mutation entry No.924 is enclosed at page 38 for reference. Thus, the total holding allotted to the share of the petitioner is 0-31-0 A.G.A. bagayat and 2-7-0 G. Tari which is under his personal cultivation.

Enquiry made also reveals that the divided members are all making separate wahiwat in their respective lands. They are also residing separately and are all cultivating the above lands as owners.

They are not cultivating any lands as tenants. The total holding now possessed by the petitioner is less than the economic holding and he will be entitled to hold the additional area of 7-4-0 A.G.A. under encroachment in terms of Khuski.

To

The Hon'ble Minister for Agriculture
& Forest, Mysore State,
Bangalore.

Sir,

Revision Application of T.S.Hegde of Janamane Village, Taluka Sirsi, District: North Kanara.

Subject: Grant of 7 acres and 4 guntas of land out of minor Forest S.No.145 A of Janamane village, Taluka Sirsi, North Kanara For paddy cultivation.

Reference: No.RD. 199 D 51-57-8 DST-58 dated 21-1-59 from Deputy Secretary to Government, Agriculture & Forest Department, Mysore State, Bangalore.

I had submitted an application dated 14-6-57 to your honour on the above subject for your kind consideration to which a reply has been received from the Government under the above quoted reference, regretting to grant the land.

I hereby once again submit to your honour for kind reconsideration.

In the year 1949 I had applied to the authorities of Bombay Government to grant about 15-20 acres of land from the Forest area out of S.No.145-A for growing paddy. The Government was kind enough to grant me land on temporary lease for a period of 3 years in the first instance from 1951 and took an undertaking from me to bring the land under cultivation, when it will be disforested and granted permanently. An agreement was executed by me before the R.F.O. Sirsi at Sirsi who then asked me to cultivate land between the Nalla on the South, water canal on the North upto my permanent fields on the east. The canal being from the left Bank of the Nalla upto my old fields, the area now agreed upon had only 3 boundaries. The R.F.O. prepared a sketch map by tracing it from the village map mentioning the above boundaries. He calculated the

area within the said boundaries as 13 acres and 24 guntas. I brought the said area under cultivation within a year from the grant. I then applied to the Government for the disforestment of land and to grant me permanently.

In 1954, the Forest Authorities measured the area and found it to be 21 acres and recovered from me on 19-10-1954 an additional sum of Rs.66/- i.e. Rs.16/- as assessment on the extra area of about 8 acres and Rs.50/- as compensation alleging that I have encroached 8 acres of land. The Bombay Government granted me 13 acres 24 guntas of land on permanent basis as per order of Collector, Karwar under No. S 105/7/6 dated 24-10-55.

The order of the Collector caused me a great hardship as I had not in any way encroached any area than what was mentioned in the original sketch map. As per request, the District Inspector of Land Records measured the said land in 1955, and pointed out that the area under cultivation was 20 acres and 28 guntas i.e. 7 acres 4 guntas more than shown in the agreement. He then pointed out that the course of the Nalla on the spot is far below than what was shown in the village map from which the sketch was traced. His contention was that the village map did not tally with the spot. It was due to this anomaly, that there was difference of area brought under cultivation though the area within the boundaries in the sketch was brought under cultivation. Due to this bonafide mistake in the village map, the Forest authorities thought that there was encroachment by me, which was not done by me nor I had such intention to do at any time, without being granted by Government, as I know that such an encroachment will come to the notice of the authorities even later and will involve me for penalty.

On 14-6-57 I again applied to Government of Mysore State to consider the case in view of the above bonafide

mistake in the map and taking into consideration the large sum of amount I had already spent to bring the land under cultivation and to grant the excess land of 7 acres 4 guntas to which I have received a reply from the Government on 25-1-59 in the negative.

It is my humble submission that there was no intentional encroachment by me at any time and for the same bonafide mistake I beg to be excused.

We were 3 brothers of a joint Hindu family cultivating lands as the main occupation. My elder brother died long back and he has his children. As there was difference of opinion between me and my younger brother and the son of my elder brother, we decided to have partition in our landed property and accordingly in July 1958, my brother's son and myself have registered a deed at Sirsi Registrar's office settling our claim in the lands. Accordingly my 5 sons and my brother's only one son and myself will have equal shares (7 shares) out of the ⅔rd of the total property, as the younger brother insisted for his claim of ⅓ share in the whole property.

A In view of the above agreement, my younger brother gets 15 acres (⅓) of land from the self cultivated lands (including betle-nut garden) and we the 7 persons are not having more than 4 acres of land each, which will not be sufficient to maintain each of us and in no case our individual land under self-cultivation is more than the economical holding of lands under Bombay Tenancy Act.

I therefore request your honour to review this case once again and kindly consider my humble prayer and grant me the land of 7 acres 4 guntas from S.No.145-A of Janamane Village on the same conditions under which 13 acres and 24 guntas have been granted.

Yours faithfully,

(T.S.Hegde).
